**TERRY NUTT**

Terry is a certified arborist, a skilled nursery and landscape professional. He has volunteered his professional services at the Fleming Arboretum since 2007 doing pruning, planting, and air-layer propagation. Terry has directed planting projects in the Arboretum with Ti plants and lava rock walls, adding color and aesthetic landscaping. Terry is recognized for his tireless volunteerism as a MALP member, on the board of the Maui County Arborist Committee, for community planting projects and at the Fleming Arboretum.

September 2011-Terry shows off his first successful rooted air layer of the rare Alani .

Terry gives the 60 year Ala'a, it's first pruning in many years.

**Mahalo Terry for your generosity**
